## SOLVEIGS PINOT NOIR RHEINGAU PHYLLIT 2018

A seriously structured and concentrated pinot noir, considering this is a “basic” bottling. The deep, meaty and savory nose pulls you inexorably into the surprisingly generous palate, where there’s a wonderful balance of fine tannins and richness. Cool, dry and mineral finish. From organically grown grapes. Unfiltered. Drink or hold.

## SOLVEIGS PINOT NOIR RHEINGAU STEIL 2018

Think very ripe, but not overripe blackcurrants and sour cherries, then add a firm, tannic core and stony quality and you’ve got a snapshot of this high-structured pinot noir, which has so much energy at the finish that it bowls you over. Needs some time to unwind, but this has great aging potential. From organically grown grapes. Unfiltered. Drinkable now, but best from 2023.

## SOLVEIGS PINOT NOIR RHEINGAU STEIL 2016

This mature Rheingau pinot noir has lots of red-cherry, cranberry and rosemary character. Slightly grainy tannins, which time has integrated rather well on the medium-bodied palate. Long, dry and crisp finish with nice wet-stone minerality. From organically grown grapes. Unfiltered. Drink now.

## SOLVEIGS PINOT NOIR RHEINGAU MICKE 2018

Allow yourself to fall into this deep fjord of cassis, forest-berry and violet aromas. Not only is the concentration stunning on the expansive palate, but also the texture, which is like old-fashioned velvet. The delicate touch of sweetness at the core is reminiscent of Vosne-Romanée and the fresh delicacy at the finish of Chambolle-Musigny. From organically grown grapes. Unfiltered. Drink or hold.

## SOLVEIGS PINOT NOIR RHEINGAU PRESENT 2018

Radical and inspiring, this super-concentrated Rheingau pinot noir is also super-elegant, with so much mineral freshness that it takes your breath away. And behind all the enticing red-fruit character is earthy depth that gives the very long, straight finish both drive and fascination. No perceptible oak! From organically grown grapes. Unfiltered. Drink or hold.

## SOLVEIGS PINOT NOIR PRÉCOCE RHEINGAU KOLOSS 2018

Stranded halfway between dry pinot noir and opulent Amarone, this is one crazy German red! Major concentration, but the alcohol (16%) is a bit too dominant for all this to add up to more than the sum of the parts. From organically grown grapes. Unfiltered. Drink now.
